APPLICATION OF PARTS LIST

This is a list of parts used of HONDA 175
Model CD175, CB175 and CL175

1. How to see the Part Number

The composition of Part Number is as follows:

2. How to order the Parts

When ordering parts to us, please let us know the correct number of the parts, referring to this Parts List.

When changing parts, check the engine number and the frame number, then the parts used can be found. The engine number is stamped on the upper crankcase, and the frame number is stamped on the head pipe of the frame body.

3. About the News Number

News Number is the same as the Number of Parts News issued by Honda Service Center. When you need to know the contents of modified parts and related in detail.

4. The Parts List can be revised with Revision Sheet

For the future modification of parts and parts to be provided "Revision Sheet" will be issued every three months. Please do put the Revision Sheet in the place of each page according to instructions shown under the sheet. If you make sure of this, the Parts List will be kept always up-to-date.

5. This Parts List was compiled at 20th March, 1967.
