BE A RESPONSIBLE RIDER Riding a scooter is an exercise in responsibility—to yourself, to others, to the environment and to the sport. So, remember, always wear a helmet, eye protection and protective clothing whenever you ride. Never ride under the influence of drugs or alcohol. Inspect your scooter before riding and read your owner's manual. Check your HRCA® guide or log on to the HRCA website (**hrca.honda.com**) for information concerning reimbursement for MSF rider training.
